We thank the Lord for the opportunity to be able to gather at such a time like this. It is a test of Faith and an act of obedience to His will. This year’s training has been a real success. It became clear that God had plans for this activity that were even greater than originally imagined. Through this yearly event, many individuals have identified their calling and how to contribute to the “Kingdom Building” in their ICFs.

God really blessed us with outstanding speakers from some of the City Fellowships to impart God’s wisdom into His children. Many of the participants couldn’t help but express their appreciation to them at the event. We are hoping to have these and other great speakers come again next year for another successful training.

The work would not have been a success without the help and financial support of the City fellowships. We are really grateful for that. Also, we say a “Big Bravo” to the volunteers who worked on accommodation, transportation, and food for these events. Without such people, we wonder how the CSC would have come this far. May God really bless you all for your sacrifice.

Speakers, as sincere vessels of God to deliver God’s wisdom to His children, we really appreciate your sacrifice of love for coming to share with us. God bless you all and keep your families safe.

Participants, your coming was really a sign of your love for the Lord. Any time you are informed of this event we hope you will embrace it fully. We pray that you will be able to put into practice all that you have learned so that your own soul will be saved and those of your hearers as well.

THE LORD JESUS CHRIST be with your spirit. Grace be with you. Amen.
